## Vcd Creator Burner Pro VERIFIED Full Version

---

VCD Creator Burner Pro converts your batch files to a compatible set of VCD Video files and burns them to a blank CD. The aspect ratio can be adjusted automatically. When converting video, you can select video frames to be used as segments. You can also create DVD menus and select audio tracks or convert them to MP3 format. Video can be recorded in AVI, MPEG, DivX, XviD, WMV, ASF, 3GP, DAT, MOV, TS, MP4 and FLV formats. This program supports most video codecs and video formats. Videos can also be exported to be used for other purposes later. This program is very easy to use.
